EXECUTIVE DEPARTMENT, STATE OF CALIFORNIA

I, _____, the person requesting to duplicate the official copy of the plans for, and the owner of, _____, do hereby swear under penalty of perjury that: The copy of the plans shall only be used for the maintenance, operation, and use of the building. This fact notwithstanding, I agree that the undersigned assumes all risk and responsibility associated with the use of the plans and hereby indemnifies and holds the certified, licensed, or registered professional, or his or her successor, who signed the original plans, harmless from any and all liability, loss or expenditure of any kind or nature which may be sustained as a result of the use of those plans.

I further agree that: drawings are instruments of professional service and are incomplete without the interpretation of the certified, licensed, or registered professional of record, and; that subdivision (a) of Section 5536.25 of the Business and Professions Code states that a licensed architect who signs plans, specifications, reports, or documents shall not be responsible for damage caused by subsequent changes to, or use of, those plans, specifications, reports or documents where the subsequent changes or uses, including changes or uses made by state or local governmental agencies, are not authorized or approved by the licensed architect who originally signed the plans, specifications, reports, or documents, provided that the architectural service rendered by the architect who signed the plans, specifications, reports, or documents was not also a proximate cause of the damage.
