1. Nurseries must be agricultural in nature where plants are grown on site from seed and/or maintained on site for growth and propagation.
2. Plants must be grown from seed on the premises.
3. Per ZAI 1840 (Zoning Administrator's Interpretation 1840) , products transferred to the premises have to remain on such premises long enough to have attained sufficient growth that requires transplanting to new pots or containers before they are sold. Products brought to the premises in pots and containers cannot be resold in the same pots and containers.
4. Per Sec. 12.05A13 a sales and display stand not larger than 120 sq. ft. approved by Building and Safety is allowed for the sale of "only those products produced upon the same premises" or brought in to the site and allowed to grow or propagate before selling.
5. Only those buildings for uses that are commonly incidental to the main use such as greenhouses, shade structures, storage of tools used in the trade or offices. The size of a storage or office building must be justified by the applicant if it exceeds 200 sq. ft.
